

CAMP KINNERET BILUIM

Dear Campers and Parents,

Another incredibly successful season has come and gone. This summer, ninety seven percent of our campers from the previous summer returned and many new campers joined the Kinneret family for the very first time. Camp Kinneret-Biluim continues to enjoy a stellar reputation, and ranks among the most successful camps in North America.

This summer, with the financial support of many families and members of our community, we renovated half of our camper cabins and we will be renovating the remaining cabins this fall so that every cabin is ready to go for the summer of 2012. We also blazed a new path that leads from the cabin area, through the forest, over the river and all the way to our new sports fields. These new fields witnessed the introduction of our new athletics program where our campers enjoyed team sports and learned about the importance of exercise and living a healthy lifestyle. Our kids also enjoyed greater access to all of our activities and of course, the powerful experience that is Camp Kinneret. We are already in the planning stages for next summer and we can't wait to see our campers' excited faces as they get off of the bus and discover all of the new programming initiatives and additions to our campsite.

There are two changes we are making for the summer of 2012 that we wish to share with you at this time. The first is that all first session campers will begin camp on the same day. This will give our younger campers two extra days of camp and give everyone the opportunity to get settled in and kick off the summer with a bang well before our first Shabbat at camp begins.

The second change relates to the registration process. In the past you have been asked to complete two sets of forms. This year we have combined everything into this one simple package. In April you will receive luggage tags and a copy of the Parent Booklet (which can also be found online at www.ckb.ca). As always, throughout the year, campers will receive invitations to participate in a variety of exciting and enriching activities.

To reserve your spot at Camp Kinneret for the summer of 2012, please complete and sign all of the enclosed forms and mail them to our office with the appropriate post dated checks. Please call us anytime with any questions or suggestions or for a simple chat - we'd love to hear from you!

Chazak v'Amatz!
With Strength and Courage!
